

Appl. No. 09/632,853  
Amdt. Dated April 10, 2006

Docket No. W00033  
Customer No. 22917

REMARKS/ARGUMENTS

Claims 1-55 remain in the application. Claims 1, 5, 7, 8, 11, 12, 16, 18, 19, 22, 23, 29, 30, 31, 32, 37, and 47 have been amended as requested by the Examiner in his 6 April 2006 telephone call. The Examiner also asked that support for the amendment to *indoor and/or outdoor physical environment* be pointed out. As such, Applicants note that the limitation was added in Applicants' 6 September 2005 amendment in response to a suggestion by Examiner Ortiz Rodriguez. The Applicants 6 September 2006 amendment noted that the such a limitation was made "to emphasize that the invention is related to designing communications networks or systems which operate in buildings, campuses, or outdoor terrains, etc., as discussed in the application...." Applicants' amendment, 6 September 2006, page 20.

In any case, support for such an amendment is further found on page 2, lines 23-24 ("entire city, an office, building, arena or campus"); page 3, lines 10-11 (a building, or group of buildings (i.e., a campus")); page 3, line 18 (within the building, or group of buildings"); page 4, lines 3-4 ("indoor and outdoor RF wireless communication systems"); page 11, lines 15-16 (editions of a building, or a collection of buildings and/or surrounding terrain and foliage"); page 12, lines 28 and FIGS. 2 and 3 showing an outdoor macrocell 106; page 14, lines 19-20 (discussion of outdoor wireless system 106 and indoor network); page 26, lines 13-14 ("components of indoor wireless system will typically be different than an outdoor wireless system"); and page 40, line 1 (indoor or outdoor location).

Applicants believe that the application is in condition for allowance and pray that an early notice of allowance will issue. Should the Examiner find the application to be other than in condition for allowance, the Examiner is requested to contact the undersigned at the telephone number listed below to discuss any other changes deemed necessary.
